Presidents Corner:

Presidents Corner: Hello everyone, as we start entering the Holiday season, we become overwhelmed preparing for the upcoming days. Yet we as Abate, have to remember our job to fight for our Rights and Freedoms never ends.

We have our December charity run to prepare for, and our regular task. I know it has been said that "I joined to have fun". Well we like to enjoy ourselves too, and have let the chapter know when we were going on others runs. Insurance has made it near impossible to have fun runs anymore. But, also have duties and task that must be done to keep the powers that control Abate Of Florida, Inc. happy, anyone that has read the new disclaimer knows that besides insurance, IRS, we also now have the Department of Agriculture to answer to. This just shows we all need to get out and vote! Big Government is consuming us all. Eating away at our freedoms and rights, and keep picking away at our freedom of choice.

This is why we need our people to step up and do their jobs to the best of their abilities. I know a lot of you are having scheduling problems, jobs, Guard, family, but we need everyone to try and make a better effort at making meetings. These are the heart and soul of our operation as a chapter.

As for our run for PAW PAWS PET RESCUE in December, we had decided on the 12th to do it, because we wanted to try and get in the Callahan Christmas Parade on the 5th. Our Insurance will not cover this, and we cannot do it as ABATE without insurance. Also we have state meetings that weekend, we just were made aware of. So we'll have to check back with the MOOSE and see if the 5th is still available, and if so change our run to the 5th of December.

We need all our members to help with donations for DOOR PRIZES. We will ask that you keep me or Hank advised of where you have been, so we don't keep hitting the same places. We'll post the sites on our FB page.

Last year, Tam, Josh and myself collected 99.8 % of everything. I realize most of you work, but you also go out to eat, shopping, these are the same places you can ask for donations. Fliers are coming and soon as approved by state given out for you to use when asking and also to ask if you can post one in their business.

So far we have 4 new members this month, George the owner of DICKS WINGS in Yulee, SR200, is one of them. Some of us have been going to his Friday BIKE NIGHTS, and enjoying the fellowship of our friends and group, and reaching out to others. Plus renewals. So we are on the right path to rebuilding this chapter, and getting the word out.

BIKE WEEK TICKETS, I still have books of tickets available, prizes are \$7,000, \$2,000, & \$1,000, a chance for each for \$5.00 a ticket. Every member needs to buy at least one. There are only 6,000, we have 100, minus the books out. We need to do our part and sell these, they have to be turned in, unsold or money by the February State Meeting.

Sincerely, Barry 'FUSE' Sing, Sr.

President's Report: Barry Sing Sr. As I told you last month, my Flea Market sale will be next Sat, the 26th. We will also do a Safety booth. Your presence will be needed. All donations to my Flea Market sale will be greatly appreciated.

Run for Paw Paws Pet Rescue is in Dec. You can check them out on FB under that name. Ed is doing Flier, and as soon as we get it approved and get our insurance, we can start getting donations for the door prizes. We will have 50/50. The run will be a dice roll at each location. You will have the option of exchanging 1 dice for another roll for \$1. Tam, myself, and Josh provided 99% of the donations last year. We need help from the rest of you this year. Run will begin and end at the Moose Lodge. Woody Wood has volunteered to come in early and cook breakfast for us at \$6. per plate. Moose will cook for us while we are on the run, unless someone wants to volunteer to do this for us. \$20. per rider/driver, \$10. per passenger. Registration 8am to 10am. KSU 10:30. Route will be Moose to VFW in Hilliard, to VFW East, under bridge, to Hammerhead, to BarZ, and back to Moose. (subject to change) Back at Moose no earlier than 3:30pm. Last bike in 5pm. Food, DJ, prizes.
